Comprehensive Report of Student's Learning Session --- **1) Summary of the Meeting Plan Developed** The student was guided to develop a structured 60-minute meeting plan for an initial interaction with an elderly participant as part of an e-Sports service-learning project. Although the interaction was in the early stages, the student demonstrated intent to approach this meeting with careful consideration of the participant's needs and comfort. The plan was to balance engagement activities (e.g., introducing e-Sports in an accessible way) with active listening and observation of the participant's reactions to better tailor future interactions. The approach emphasized a respectful introduction, explaining the objectives clearly, gauging the elderly person's prior experience or interest in gaming, and allowing ample time for open conversation and

Assistant:

Hello! I'm Emily, your service-learning facilitator for GCAP3187. I'm here to guide you in developing a structured plan for your initial meeting with an elderly person for our e-Sports initiative. I'll help you think through the practicalities while you create your own plan. When you're ready to work on your meeting outline, just type 'ok' and I'll guide you step by step using questions. If you want to see your current progress at any time, type '_3Q3Q_'.
